BREEDING CONTRACT 2017

Frozen semen

Contractual agreement between Emmanuelle Lanctôt-Bédard (seller) and _____ (buyer).

Sales agreement for the sale of frozen semen for breeding the mare _____.

Owner of the mare: _____

Address: _____

City: _____

Province/State: _____ Zip Code: _____

E-mail: _____ Phone: _____

Name of mare: _____

Breed: _____ Registration number: _____

Sire: _____ Dam: _____

Color – general description: _____

Terms of agreement

initials : _____

- The seller hereby provides the buyer with ____ doses of frozen semen – non refundable 500 CAD + applicable taxes per dose – for the artificial insemination of the mare described.
- Quality of the frozen semen has been approved by the Centre de reproduction équine Transbio, upon the following criteria, each dose containing a minimum of 300 million total sperm, and showing at minimum a 30 % post-thaw progressive motility.
- The frozen semen is proven fertile.
- Buyer is responsible for all shipping, tank rental and handling fees associated with delivery of the semen from the storage facility and return of the shipping container within seven days of receiving the semen. Semen is stored and shipped by Centre de reproduction Transbio.
- Seller shall not be responsible for loss semen shipments or delays in delivery not within the control of the Seller such as missed flights, weather delays, failure of third party service, or acts of God. The frozen semen is not insured during shipment. Insurance for the value of the semen can be purchased through FedEx. Buyer is responsible for additional insurance fees.
- There is no live foal guarantee.
- All sales are subject to availability and are final upon acceptance of this Agreement. All fees are payable upon execution of this Agreement. Buyer specifically agrees and understands that no semen will be shipped until all fees have been paid (by check, electronic transfer or Paypal).
- The artificial insemination must be executed by a veterinarian familiar with the procedures concerning equine reproduction and the manipulation of frozen semen. An insemination certificate must be sent to the seller by the veterinarian.
- A breeding certificate will be issued for each dose of frozen semen resulting in a live foal.
- A copy of the registration papers as well as a picture of the mare must be sent to the stallion’s owner along with the signed agreement.
- Seller makes no guarantees or warranties, expressed or implied as to the fertilizing capacity of any semen provided under the terms of this Agreement. However, the conception rate will be provided to the seller upon request.
- Buyer is responsible for compliance with registry requirements for the use of frozen semen and payment of any fees for the subsequent registration of foals conceived.
- Any change on this contract (buyer, mare, etc.) must be agreed upon by both parties.
- This contract is not transferable by neither of the parties.
